TRUMAN ORDINANCE CODE

CHAPTER I. TRUMAN ORDINANCE CODE

SECTION 100.01. CITY CODE.

Subd. 1. How Cited. This code of ordinances shall be known as The Truman City Code and may be so cited.

Subd. 2. Additions. New ordinances proposing amendments or additions to the code shall be assigned appropriate code numbers and shall be incorporated into the code as of their effective date. Reference or citation to the code shall be deemed to include such amendments and additions. When an ordinance is integrated into the code, there may be omitted from the ordinance the title, enacting clause, section numbers, definitions of terms identical to those contained in this ordinance, the clause indicating date of adoption, and validating signatures and dates. In integrating ordinances into the code, the Clerk, in cooperation with the City Attorney, may correct obvious grammatical, punctuation, and spelling errors; change reference numbers to conform with sections, articles, and chapters; substitute figures for written words and vice versa; substitute dates for the words “the effective date of this ordinance”; and perform like actions to insure a uniform code of ordinances without, however, altering the meaning of the ordinances enacted.

Subd. 3. Numbering. Each section number of this code consists of two component parts separated by a decimal. The first digit of the number refers to the chapter number and the digits after the period refer to the position of the section within the chapter. If the chapter is divided into parts, the figure immediately to the left of the decimal corresponds to the part number.

Subd. 4. Title Headings; Cross References. Chapter, part, section, subdivision, and other titles shall not be considered part of the subject matter of this code but are intended for convenience only and not necessarily as comprehensive titles.

Subd. 5. Copies. Copies of this code shall be kept in the office of the Clerk for public inspection or sale for a reasonable charge.

As so adopted, references in that chapter to laws and statutes mean provisions of this code and references to the legislature mean the Council.

SECTION 100.04. EXISTING RIGHTS AND LIABILITIES.

The repeal of prior ordinances and adoption of this code are not to be construed to affect in any manner rights and liabilities existing at the time of repeal and the enactment of this code. Insofar as provisions in this code are substantially the same as pre-existing ordinances, they shall be considered as continuations thereof and not as new enactments. Any act done, offense committed, or right accruing, or liability, penalty, forfeiture or punishment incurred or assessed prior to the effective date of this code is not affected by the enactment of the code.

SECTION 100.05. HEARINGS.

Subd. 1. General. Unless otherwise provided in this code, or by law, every public hearing required by law, ordinance, or resolution to be held on any legislative or administrative matter shall be conducted in accordance with this section.

Any other case, unless another penalty is expressly provided in this Code, any person violating any provision of this Code, or any rule or regulation adopted in pursuance thereof, or any other provision of any Code adopted in this Code by reference, including any provision declaring an act or omission to be a misdemeanor shall, upon conviction, be subject to a fine of not more than \$700.00 or imprisonment for not more than 90 days or both.

Subd. 3. Separate Violations. Unless otherwise provided, each act of violation and every day on which a violation occurs or continues constitutes a separate offense.

Subd. 4. Application to City Personnel. The failure of any officer or employee of the city to perform any official duty imposed by this code shall not subject the officer or employee to the penalty imposed for violation unless a penalty is specifically provided for such failure.

Subd. 5. Disposition of Proceeds. The proceeds of the sale shall be placed in the general fund of the city. If the former owner makes application and furnishes satisfactory proof of ownership within six months of the sale, he shall be paid the proceeds of the sale of his property less the costs of storage and the proportionate part of the cost of published notice and other costs of the sale.

On or before June 1st of each year, and at such other times as ordered by resolution of the Council, the City Clerk shall publish once in the official newspaper a notice directing owners and occupants of property within the City to destroy all weeds declared by Subdivision 1 to be a nuisance and stating that if not so destroyed within ten days after publication of the notice, the weeds will be destroyed by the Weed Inspector at the expense of the owner and that if not paid, the charge for such work will be made a special assessment against the property concerned.

Subd. 3. Removal By City. If the owner or occupant of any property in the City fails to comply with the notice within ten days after its publication, the Weed Inspector shall cut and remove such weeds. He shall keep a record showing the cost of such work attributable to each separate lot and parcel and shall deliver such information to the City Clerk.

Subd. 1. Proposed Projects. The Council shall each year determine by resolution what streets and alleys shall be sprinkled or flushed, or given other dust treatment during the year and the kind of work to be done on each. The Council shall also determine by resolution from time to time the streets on which trees shall be trimmed and cared for, the kind of work to be done, and what unsound trees shall be removed. Before any work is done pursuant to either of these resolutions, the Clerk shall, under the Council's direction, publish notice that the Council will meet to consider such projects. Such notice shall be published in the official newspaper at least once no less than two weeks prior to such meeting of the Council and shall state the date, time, and place of such meeting, the streets affected and the particular projects proposed, and the estimated cost of each project, either in total or on the basis of the proposed assessment per front foot or otherwise.

Subd. 2. Hearing; Order. At such hearing or at any adjournment thereof, the Council shall hear property owners with reference to the scope and desirability of the proposed projects. The Council shall thereupon adopt a resolution confirming the original projects with such modifications as it considers desirable and shall provide for the doing of the work by day labor through the Street Commissioner or by contract.

The Street Commissioner shall keep a record of the cost and the portion of the cost properly attributable to each lot and parcel of property abutting on the street or alley on which the work is done and shall report such information to the City Clerk.

SECTION 302.08. PERSONAL LIABILITY.

The owner of property on which or adjacent to which a current service has been performed shall be personally liable for the cost of such service. As soon as the service has been completed and the cost determined, the City Clerk, or other designated official, shall prepare a bill and mail it to the owner and thereupon the amount shall be immediately due and payable at the office of the City Clerk.

SECTION 302.09. ASSESSMENT.

On or before September 1st of each year, the Clerk shall list the total unpaid charges for each type of current service against each separate lot or parcel to which they are attributable

under this ordinance. The Council may then spread the charges against property benefited as a special assessment under Minnesota Statutes, Section 429.101 and other pertinent statutes for certification to the County Auditor and collection along with current taxes the following year or in annual installments, not exceeding ten, as the Council may determine in each case.

SECTION 302.10. FEES FOR EMERGENCY PROTECTION FIRE SERVICES.

Subd. 1. This ordinance is adopted for the purpose of authorizing the City of Truman to charge for fire service as authorized by M.S. Section 366.011, 366.012, and 415.01.

Subd. 2. Definitions.

- (a) “Fire Service” means any deployment of fire fighting personnel and/or equipment to extinguish a fire or perform any preventative measure in an effort to protect equipment, life, or property in an area threatened by fire. It also includes the deployment of fire fighting personnel and/or equipment to provide fire suppression, rescue, extrication, and any other services related to fire and rescue as may occasionally occur.
- (b) “Fire Service Charge” means the charge imposed by the City for receiving fire service.
- (c) “Motor Vehicle” means any self-propelled vehicle designed and originally manufactured to operate primarily upon public roads and highways, and not operated exclusively upon railroad tracks. It includes semi-trailers. It does not include snowmobiles, manufactured homes, all terrain vehicles, or park trailers.
- (d) “Fire Protections Contract” means a contract between the City and a town or other city for the City’s fire department to provide assistance to the fire department of a town or other city.
- (e) “Mutual Aid Agreement” means an agreement between the City and a town or other city.

Subd. 3. Parties Affected.

- (a) Owners of property within the City who receive fire service.
- (b) Anyone who receives fire service as a result of a motor vehicle accident or fire.
- (c) Owners of property in towns or cities to which the City provides fire service pursuant to a fire protection contract.

Subd. 4. Rates. Fees for fire protection services shall be as established by resolution of the City Council.

Subd. 5. Billing and Collection.

- (a) Parties requesting and receiving fire services may be billed directly by the City. Additionally, if the party receiving fire services did not request services, but a fire or other situation exists, which, at the discretion of the fire department personnel in charge requires fire service, the party will be charged and billed. All parties will be billed whether or not the fire service is covered by insurance. Any billable amount of the fire charge not covered by a party's insurance remains a debt of the party receiving the fire service.
- (b) Parties billed for fire service will have 60 days to pay. If the fire service charge is not paid by that time, it will be considered delinquent and the city will send a notice of delinquency.
- (c) If the fire service charge remains unpaid for 30 days after this notice of delinquency is sent, the City will use all practical and reasonable legal means to collect the fire service charge. The party receiving fire service shall be liable for all collection costs incurred by the City including, but not limited to, reasonable attorney fees and court costs.
- (d) If the fire service charge remains unpaid for 30 days after the notice of delinquency is sent, the City Council may also, on or before October 15th of each year, certify the unpaid fire service charge to the County Auditor in which the recipient of the service owns real property for collection with property taxes. The County Auditor is responsible for remitting to the City all charges collected on behalf of the City. The City must give the property owner notice of its intent to certify the unpaid fire service charge by September 15th.
- (e) False alarms may be billed as a fire call at the discretion of the Fire Chief.

Subd. 6. Mutual Aid Agreement. When the City fire department provides fire service to another fire department pursuant to a Mutual Aid Agreement, the billing will be determined by the Mutual Aid Agreement.

Subd. 7. Application of Collections to Budget. All collected fire charges will be city funds and assigned to the fire truck replacement equity fund.

PART III. LOCAL IMPROVEMENT POLICY

SECTION 303.01. CUT-OFF DATE FOR PETITIONS.

No petition for construction of any capital improvements shall be accepted or acted upon by the Council unless it is filed with the City Clerk on or before August 1st of the year prior to the year of requested construction.

SECTION 303.02. CLASSIFICATION OF PROJECTS.

Subd. 1. In General. Public improvements are divided into the three classes specified in the following subdivisions according to their respective benefit to the whole city and to property specially served by the improvement and taking into account past city practice.

Subd. 2. Class A. Class A improvements are those which are of general benefit to the city at large, including (1) Public buildings, except a building which is part of an improvement described in one of the following subdivisions; (2) any public park, playground, or recreational facility; (3) the installation and maintenance of street lighting systems; and (4) any improvement not described in Minnesota Statutes, Section 429.021, Subd. 1. Any such improvement shall be financed from general city funds and not from special assessments.

Subd. 3. Class B. Class B improvements are those which are of both general benefit and special benefit to abutting or nearby property. Class B improvements includes: (1) trunk water mains larger than 1 inch; (2) trunk sanitary sewer mains larger than 8 inches; (3) permanently surfacing arterial streets; (4) storm sewers; (5) the construction of off-street parking facilities.

Subd. 4. Class C. Class C improvements are those which are primarily if not exclusively of benefit to property abutting or in the area of the improvement, including (1) the construction of sidewalks; (2) the construction of water mains no larger than 2 inches in diameter; (3) the construction of sanitary sewer mains no larger than 6 inches in diameter; (4) the construction of curbs and gutters; (5) grading, graveling, and applying non-permanent surfacing to streets; (6) permanently surfacing residential streets; (7) the abatement of nuisances and the draining of swamps, marshes and ponds on public or private property and filling the same.

SECTION 303.03. FINANCING CLASS B AND C IMPROVEMENTS.

It is the policy of the City to finance Class B and C improvements by the methods prescribed in Sections 303.04, 303.05, and 303.06. The apportionment of the cost between benefited property and the City at large and the method of levying assessments prescribed in

those sections shall be followed in each case unless the Council, by resolution, finds that because of special circumstances stated in the resolution, a different policy is necessary or desirable in the particular case. Any local improvement described in Minnesota Statutes, Section 429.02 and not placed in Class A, B, or C by Section 303.02 shall be financed as the Council determines to be most feasible and equitable in each case.

SECTION 303.04. ASSESSMENT REGULATIONS FOR CLASS B IMPROVEMENTS.

Sub. 1. Trunk Water Mains and Sanitary Sewers. When a water or sewer main is laid across or adjacent to unplatted property, the City shall not defer the assessment against the unplatted property if the assessment would be made for such an improvement in the case of platted property, but the City shall make the assessment at the time the assessment against other property is made, apportioning the assessment against the unplatted property on the basis of area. When a trunk sewer or water main is constructed and is to serve also as a lateral sewer or water main for abutting property, the abutting property shall be assessed for the cost of a lateral sewer or water main plus its proportional share of costs of the excess capacity. Other property benefited by the trunk sewer or water main but unable to utilize it until a lateral connected to the trunk sewer or water main has been built to serve the property shall not be assessed for its share of the cost of the trunk sewer or water main until the lateral is built. The assessment for the lateral shall then include the property's share of the trunk sewer or water main. The cost of the trunk sewer or water main in excess of the lateral assessment shall be assessed on the basis of frontage against all properties benefited. The cost of a lift station shall be assessed on the basis of frontage against that property actually benefited by the lift station.

Subd. 2. Arterial Street Surfacing. The following are arterial streets: Ciro Street and Central Avenue. When an arterial street is paved with concrete, bituminous mat, or other permanent surface, the cost of the pavement on a 36-foot roadway shall be assessed against the benefited property on the basis of frontage on the abutting street. When the standards for such paving are higher than those the City would use for a residential street, the cost to be assessed shall be based on the cost of paving a residential street of the same width. The rest of the cost shall be paid from general funds.

Subd. 3. Storm Sewers. 100 percent of the cost of constructing storm sewers shall be paid by the City from storm sewer funds, except where special conditions such as a lift station may be required, the cost may be assessed against the property in the area served by the sewer on the basis of the square footage of the property. The area to be assessed shall be determined on the basis of topographic maps and other pertinent data.

SECTION 303.05. ASSESSMENT RULES FOR CLASS C IMPROVEMENTS.

Subd. 1. Sidewalks. The cost of the construction of sidewalks shall be assessed on the

basis of frontage against property abutting the side of the street on which the sidewalk is located. Cost of sidewalk construction from the property line to the curb shall be paid by the City.

Subd. 2. Water and Sewer. The cost of lateral water mains not exceeding 8 inches in diameter and of lateral sanitary sewer mains not exceeding 10 inches in diameter shall be assessed against abutting property on the basis of frontage. The cost of water mains to be assessed includes the service lines if furnished, hydrants, and valves. The cost of sewer mains includes lines, if furnished.

Subd. 3. Streets. The cost of construction of curbs and gutters on any street shall be assessed on the basis of frontage.

Subd. 4. Nuisances. The cost of abating nuisances and draining of swamps, marshes and ponds on public or private property and filling the same shall be assessed in a manner determined by the Council in each case to measure most equitably the benefit received by property to be assessed. The assessment in any such case may be made against non-abutting property to the extent the property is benefited by the improvement.

SECTION 303.06. SPECIAL RULES.

Subd. 1. Corner Lots. In any assessment made on the basis of frontage, except one for water or sanitary sewer, corner lots shall be assessed for footage along the front, the corner, and the side footage. In the case of an assessment for a lateral water or sewer main, Class C, corner lots shall be assessed for the footage along the longest side of the lot.

Subd. 2. Intersections. The cost of water and sewer improvements in street intersections shall be included as part of the total assessable cost. In the case of any kind of street improvement, intersection costs shall be paid by the City.

Subd. 3. Adjusted Frontage. When the amount of an assessment is determined by frontage, an equivalent front footage shall be determined according to the following rules when an irregular lot requires such an adjustment to maintain fairness in the assessment:

- a. Front footage shall be measured at setback on cul-de-sacs and sharply curved streets and irregularly shaped lots.
- b. Equivalent front footage shall be determined by dividing the square footage of the lot by the general lot depth of the subdivision for pie-shaped lots and irregular shaped lots where other rules do not apply.
- c. Where frontage curves so greatly as to give a general appearance of a corner, the lot shall be considered a corner lot and equivalent front footage, as well as side footage where required, determined on the basis of an irregularly shaped lot.

- d. Where a lot consists of a combination of rectangular and pie-shaped or irregular portions, the equivalent front footage shall be determined as the sum of the straight front footage plus the remainder in accordance with applicable rules.

SECTION 303.07. FEDERAL, STATE, AND COUNTY AID USE.

If the City receives financial assistance from the federal government, the state, or the county to defray a portion of the cost of a street improvement project, such aid shall be used first to reduce the share of the project cost which would be met from general city funds according to the assessment formula contained in this ordinance. If such aid is more than the amount of the improvement cost to be borne by the City, the remainder of the aid so received shall be used to reduce each individual assessment proportionately.

SECTION 303.08. DEFERMENT OF SPECIAL ASSESSMENTS FOR SENIOR CITIZENS.

Subd. 1. When Deferred. The Council may defer the payment of any special assessment on homestead property owned by a person who is 65 years of age or older and has an annual income of \$6,000.00 or less. The deferment shall be granted upon a certification by the owner on a form prescribed by the County Assessor supplemented by the City Clerk to establish the qualification of the owner for such deferment. The application shall be made within 30 days after the adoption of the assessment roll by the Council and shall be renewed each following year upon the filing of a similar application not later than September 30th. The Council shall either grant or deny the deferment and, if it grants the deferment, it may require the payment of the interest due each year. If the Council grants the deferment, the Clerk shall notify the County Auditor and the County Assessor who shall, in accordance with Minnesota Statutes, Section 444.23, record a notice of the deferment with the County Recorder setting forth the amount of the assessment.

Subd. 2. When Deferment Ends. The option to defer the payment of special assessments shall terminate and all amounts accumulated plus applicable interest shall become due upon the occurrence of any one of the following events: (1) the death of the owner when there is no spouse who is eligible for deferment; (2) the sale, transfer or subdivision of all or any part of the property; (3) loss of homestead status on the property; (4) determination by the Council for any reason that there would be no hardship to require immediate or partial payment; or (5) failure to file a renewal application within the time prescribed by Subdivision 1.

Subd. 3. Procedure for Termination. Upon the occurrence of one of the events specified in subdivision 2, the Council shall terminate the deferment. Thereupon, the City Clerk shall notify the County Assessor and the County Auditor of the termination, including the amounts accumulated on unpaid installments plus applicable interest which shall become due and payable as a result of the termination.

SECTION 303.09. BRANCH SERVICE LINES.

Water and sewer lines shall be installed from the main to the front property line of property to be served before any permanent street surfacing is constructed in the street. If any property owner fails to put in such water and sewer service lines within 30 days after notice from the City Clerk, the City Council shall proceed to have water and sewer service installed and to assess the cost against the property.

SECTION 303.10. PARTIAL PREPAYMENT.

After the adoption by the City Council of the assessment roll in any local improvement proceeding, the owner of any property specially assessed in the proceeding may, prior to the certification of the assessment or the first installment to the County Auditor, pay to the City Treasurer any portion of the assessment not less than \$100.00. The remaining unpaid balance shall be spread over the period of time established by the Council for installment payment of the assessment.

SECTION 303.11. CERTIFICATION OF ASSESSMENTS.

After the adoption of any special assessment by the Council, the Clerk shall transmit a certified duplicate of the assessment roll with each installment, including interest, set forth separately to the County Auditor to be extended on the proper tax lists of the County.

SECTION 303.12. PERMANENT IMPROVEMENT REVOLVING FUND.

Subd. 1. Establishment. There is hereby established a permanent improvement revolving fund of the City to be held and administered by the City Treasurer separate and apart from all other funds of the City, for the purpose of financing local improvements.

Subd. 2. Source of Funds. The fund shall be a permanent fund of the City and the moneys necessary for its maintenance shall be provided by taxation, by the appropriation of available moneys from other funds of the City, and/or by the issuance and sale of permanent improvement revolving fund bonds of the City as deemed necessary from time to time by the Council.

Subd. 3. Disposition of Funds. Moneys in the fund shall be used only as directed by resolution of the Council for the purpose of advancing to local improvement funds the cost of improvements for which assessments are to be levied. All such moneys so advanced to an improvement fund shall be restored as soon as sufficient moneys are received in the improvement fund together with interest at a rate fixed by the Council at not less than 8 percent per annum during the time for which such moneys have been so furnished.

Subd. 4. Investment. Whenever there are moneys in the fund not immediately needed for local improvements, such moneys shall be invested by the City Clerk under the direction of the Council in any securities authorized for investment of municipal sinking funds by law.

Subd. 5. Transfer of Surplus. When the fund accumulates encumbered moneys in excess of any amounts reasonably anticipated to be needed for local improvement fund advances, the Council may, by resolution adopted by a four-fifths vote, declare any part of such excess to be surplus and transfer it to the general fund.

CHAPTER IV. PUBLIC UTILITIES

PART I. UTILITIES.

SECTION 400.01. UTILITIES AND UTILITIES COMMISSION.

Subd. 1. Minnesota Statutes Governing Municipal Utilities and Providing for the Establishment of a Utilities Commission. Minnesota Statutes Annotated Sections 412.321 through 412.481, as amended, provide for the establishment of municipal utilities and a municipal utilities commission, and these statutes are hereby adopted by reference as though set forth verbatim herein. This ordinance provides for the continuation of public utilities in the City of Truman as have been in existence since 1938.

Subd. 2. All references to the ordinances for public utilities shall be references to the Minnesota Statutes Annotated, Sections 412.321 through 412.481, as amended, and as amended by duly adopted ordinances of the City and the additional ordinances as set forth in this chapter.

PART II. WATER AND SEWER DEPARTMENT.

SECTION 401.01. WATER AND SEWER DEPARTMENT.

There is hereby established a water and sewer department, which shall be a part of the Public Utilities Department, and which shall be under the supervision of the Public Utilities Manager. The department shall be responsible for the management, maintenance, care, and operation of the water works and sanitary sewage system.

SECTION 401.02. USE OF WATER OR SEWER SYSTEM RESTRICTED.

No person shall make or use any water or sewer service installation connected to the City water or sewer system except pursuant to application and permit as provided in this chapter. No person shall make or use any such installation contrary to the regulatory provisions of this chapter.

SECTION 401.03. RIGHT TO ENTER PRIVATE PROPERTY.

The City has the right to enter in and upon private property, including buildings and dwelling houses, in or upon which is installed a municipal utility, or connection therewith, at all times reasonable under the circumstances, for the purpose of reading utility meters, or inspecting or repairing meters, or the utility system or to inspect for the unlawful discharge of storm water, surface water, ground water, roof runoff, subsurface drainage, uncontaminated cooling water, or unpolluted industrial process water to any sanitary sewer. The City may enter in and upon premises of a consumer found to be in violation of this chapter in order to disconnect utilities to which such violated rule or regulation relates.

PART VIII. ADULT ORIENTED BUSINESSES

SECTION 508.01. PURPOSE AND INTENT.

Subd. 1. Studies Cited. Studies conducted by the Minnesota Attorney General, the American Planning Association and cities such as St. Paul, Minnesota; Indianapolis, Indiana; Alexandria, Minnesota; Rochester, Minnesota; Phoenix, Arizona; Los Angeles, California; Seattle Washington; have studied the impacts that Adult Oriented Businesses have in communities. These studies have concluded that Adult Oriented Businesses have adverse impacts on the surrounding neighborhoods. Those impacts include increased crime rates, lower property values, increased transiency, neighborhood blight and potential health risks. Based on these studies and findings, the City Council of the City of Truman, (the “City Council”) concludes:

- A. Adult Oriented Businesses have adverse secondary impacts of the types set forth above.
- B. The adverse impacts caused by Adult Oriented Businesses tend to diminish if Adult Oriented Businesses are governed by locational requirements, licensing requirements, and health requirements.
- C. It is not the intent of the City Council to prohibit Adult Oriented Businesses from have a reasonable opportunity to locate in the City of Truman (the “City”).
- D. Minnesota Statutes, Section 462.357 allows the City to adopt regulations to promote the health, safety, morals, and general welfare.
- E. The public health, safety, morals, and general welfare will be promoted by the City adopting regulations governing Adult Oriented Businesses.

Sub. 2. Findings of City Council. The City Council makes the following findings regarding the need to license Sexually Oriented Businesses. The findings are based upon the experience of other cities where such businesses have located as studied by City staff.

- A. Adult Oriented Businesses can contribute to an increase in criminal activity in which such businesses are located, taxing City crime-prevention programs and law enforcing services.
- B. Adult Oriented Businesses can be used as fronts for prostitution and other criminal activity. The experience of other cities indicates that the proper management and operation of such businesses can, however, minimize this risk, provided the owners and operators of such facilities are regulated by licensing or other procedures.
- C. Adult Oriented Businesses can increase the risk of exposure to communicable disease including, but not limited to Acquired Immune Deficiency Syndrome

(AIDS) for which currently there is no cure. Experiences of other cities indicate that such businesses can facilitate the spread of communicable diseases by virtue of the design and use of the premises, thereby endangering not only the patrons of such establishment but also the general public.

- D. Adult Oriented Businesses can cause or contribute to public health problems by the presence of live adult entertainment in conjunction with food and/or drink on the same premises.
- E. The risk of criminal activity and/or public health problems can be minimized through a licensing and regulatory scheme as prescribed herein.

Subd. 3. Purpose. It is the purpose of this Section 508.01 to 508.16 to regulate Adult Oriented Businesses to promote the health, safety, morals, and general welfare of the citizens of the City and to establish reasonable and uniform regulations to prevent additional criminal activity within the City and,

- A. Prevent additional criminal activity with the City; and

1. Any distinctly and loudly audible noise that unreasonably annoys, disturbs, injures, or endangers the comfort, repose, health, peace, safety, or welfare of any person, or precludes their enjoyment of property, or affects their property's value (this general prohibition is not limited by any specific restrictions provided in this ordinance);

B. Hourly Restriction of Certain Operations.

1. **Domestic Power Equipment.** No person shall operate a power lawn mower, power hedge clipper, chain saw, mulcher, garden tiller, edger, drill, or other similar domestic power equipment, except between the hours of 7:00 a.m. and 10:00 p.m. on any weekday or between the hours of 8:00 a.m. and 10:00 p.m. on Saturday, 10:00 a.m. and 10:00 p.m. on Sundays and holidays. Snow removal equipment is exempt from this provision.
2. **Refuse Hauling.** No person shall collect or remove garbage or refuse in any residential district, except between the hours of 6:00 a.m. and 10:00 p.m. on any weekday or between the hours of 9:00 a.m. and 9:00 p.m. on any weekend or holiday.

5. **Special Events – Exemptions.** It is recognized by the City that public policy requires discretion in enforcing this section in the context of certain special

6. events. It is further recognized that special events are by their nature unique and infrequent. Therefore, noise levels relating to special events operating with approval of the City, including, but not necessarily limited to, the annual town celebration of Truman Days; and other special events sanctioned by the City, shall be exempt from the prima facie provisions of Section 5, sub-sections A6 and B4.
7. **Noise Impact Statements.** The Council may require any person applying for a change in zoning classification or a permit or license for any structure, operation, process, installation, alteration, or project that may be considered a potential noise source to submit a noise impact statement on a form prescribed by the Council. The Council shall evaluate each such statement and take its evaluation into account in approving or disapproving the license or permit applied for or the zoning changes requested.

SECTION 801.06. NUISANCE PARKING AND STORAGE.

- A. **Declaration of Nuisance.** The outside parking and storage on residentially zoned property of large numbers of vehicles, materials, supplies, or equipment not customarily used for residential purposes in violation of the requirements set forth below is declared to be a public nuisance because it: (1) obstructs views on streets and private property, (2) creates cluttered and otherwise unsightly areas, (3) prevents the full use of residential streets for residential parking, (4) introduces commercial advertising signs into areas where commercial advertising signs are otherwise prohibited, (5) decreases adjoining landowners' and occupants' use and enjoyment of their property and neighborhood, and lake views, and (6) otherwise adversely affects property values and neighborhood patterns.
- B. **Unlawful Parking and Storage.**
 1. A person must not place, store, or allow the placement or storage of ice fishing houses, skateboard ramps, or other similar non-permanent structures outside continuously for longer than twenty-four (24) hours in the front yard area of residential property unless more than one hundred (100) feet back from the front property line.
 2. A person must not place, store, or allow the placement or storage of pipe, lumber, forms, steel, machinery, or similar materials, including all materials used in conjunction with a business, household furnishings or appliances outside on residential property, unless shielded from public view by an opaque cover or fence.

3. A person must not cause, undertake, permit, or allow the outside parking and storage of vehicles on residential property unless it complies with the following requirements:
 - a. No more than four (4) vehicles per lawful dwelling unit may be parked or stored anywhere outside on residential property, except as otherwise permitted or required by the City because of nonresidential characteristics of the property. The maximum number does not include vehicles of occasional guests who do not reside on the property.
 - b. Vehicles, watercraft, and other articles stored outside on residential property must be owned by a person who resides on that property. Students who are away from school for periods of time but still claim the property as their legal residence will be considered residents on the property.

SECTION 801.07. INOPERABLE MOTOR VEHICLES.

- A. **Declaration of Nuisance.** Any motor vehicle described in this section shall constitute a hazard to the health and welfare of the residents of the community as such vehicles can harbor noxious diseases, furnish a shelter and breeding ground for vermin, and present physical danger to the safety and well-being of children and citizens. Motor vehicles also contain various fluids which, if released into the environment, can and do cause significant health risks to the community.
- B. **Inoperable Motor Vehicles.** It shall be unlawful to keep, park, or store *any* unlicensed, unregistered or inoperable vehicle, including boats, snowmobiles, trailer or any other means of conveyance, or abandon any motor vehicle that is not in operating condition, partially dismantled, used for repair of parts or as a source of repair or replacement parts for other vehicles, kept for scrapping, dismantling, or salvage of any kind, or which is not properly licensed for operation within the state, pursuant to Minn. Stat. § 168B.011, subd. 3, as it may be amended from time to time.
- C. **Screening.** This section does not apply to a motor vehicle enclosed in a lawfully erected building and/or kept out of view from any street, road, or alley, and which does not foster complaint from a resident of the City. Privacy fencing is permissible.

SECTION 801.08. DUTIES OF CITY OFFICERS.

City officials may apply and enforce any provision of this ordinance relating to public nuisances within this jurisdiction. Any peace officer or other designated city official shall have the power to inspect private premises and take all reasonable precautions to prevent the commission and maintenance of public nuisances.

SECTION 801.09. ABATEMENT PROCEDURE.

1. **Procedure.** Whenever the peace officer or other designated official determines that a public nuisance is being maintained or exists on the premises in the City, the official shall notify in writing the owner of record or occupant of the premises of such fact and order that the nuisance be terminated or abated. The notice of violation shall specify the steps to be taken to abate the nuisance and the time within which the nuisance is to be abated, not to exceed 10 days. If the notice of violation is not complied with within the time specified, the official shall report that fact forthwith to the City Council. Thereafter, the City Council may, after notice to the owner or occupant and an opportunity to be heard, determine that the condition identified in the notice of violation is a nuisance and further order that if the nuisance is not abated within the time prescribed by the City Council, the City may take any and all action necessary to abate said nuisance immediately and may assess to the landowner any and all costs incurred therein, including legal fees and costs, and said assessment shall be a specific lien against any real estate owned by said landowner.
2. **Notice.** Written notice of the violation; notice of the time, date, place, and subject of any hearing before the City Council; notice of the City Council order; and notice of motion for summary enforcement hearing shall be served by a peace officer or designated official on the owner of record or occupant of the premises either in person or by certified or registered mail. If the premise is not occupied, the owner of record is unknown, or if the owner of record or occupant refuses to accept notice, notice of the violation shall be served by posting it on the premises.
3. **Emergency Procedure; Summary Enforcement.** In cases of emergency, where delay in abatement required to complete the procedure and notice requirements as set forth in subdivisions (A) and (B) of this section will permit a continuing nuisance to unreasonably endanger public health, safety, or welfare, the City Council may order summary enforcement and abate the nuisance. To proceed with summary enforcement, the peace officer or other designated official shall determine that a public nuisance exists or is being maintained on premises in the City and that delay in abatement will unreasonably endanger public health, safety, or welfare. The officer or designated official shall notify in writing the occupant or owner of the premises of the nature of the nuisance, whether public health, safety, or welfare will be unreasonably endangered by delay in abatement required to complete the procedure set forth in subdivision (1) of this section and may order that the nuisance be immediately terminated or abated. If the nuisance is not immediately terminated or abated, the City Council may order summary enforcement and abate the nuisance.
4. **Immediate Abatement.** Nothing in this section shall prevent the City, without notice or other process, from immediately abating any condition that poses an

imminent and serious hazard to human life or safety.

5. **Unlawful Parties or Gatherings.** When law enforcement determines that a gathering is creating such a noise disturbance as prohibited under Section 801.04, Subdivision (4), the officer may order all persons present, other than the owner or tenant of the premises where the disturbance is occurring, to disburse immediately. No person shall refuse to leave after being ordered to do so by law enforcement. Every owner or tenant of such premises who has knowledge of the disturbance shall make every reasonable effort to see that the disturbance is stopped.
6. **Judicial Remedy.** Nothing in this section shall prevent the City from seeking a judicial remedy when no other adequate administrative remedy exists.

SECTION 801.10. RECOVERY OF COST.

1. **Personal Liability.** The owner of the premises on which a nuisance has been abated by the City, or a person who has caused a public nuisance on property not owned by that person, shall be personally liable for the cost to the City of the abatement, including administrative costs. As soon as the work has been completed and the cost determined, the City Clerk or other City official shall prepare a bill for the cost and mail it to the owner. Thereupon the amount shall be immediately due and payable at the office of the City Clerk.
2. **Assessment.** After notice and hearing as provided in Minn. Stat. § 429.061, as it may be amended from time to time, if the nuisance is a public health or safety hazard on private property, the accumulation of snow and ice on public sidewalks, the growth of weeds on private property or outside the traveled portion of streets, or unsound or insect-infested trees, the City Clerk shall, on or before September 1st next following abatement of the nuisance, list the total unpaid charges along with all other such charges as well as other charges for current services to be assessed under Minn. Stat. § 429.101 against each separate lot or parcel to which the charges are attributable. The City Council may then spread the charges against the property under that statute and any other pertinent statutes for certification to the County Auditor and collection along with current taxes the following year or in annual installments, not exceeding ten (10), as the City Council may determine in each case.

SECTION 801.11. PENALTY.

Any person convicted of violating any provision of this ordinance is guilty of a misdemeanor and shall be punished by a fine not to exceed one thousand dollars (\$1,000.00) or imprisonment for not more than ninety (90) days, or both, plus the costs of prosecution in either case.

SECTION 801.12. SEVERABILITY.

If any provision of this ordinance is found to be invalid for any reason by a court of competent jurisdiction, the validity of the remaining provisions shall not be affected.
