

Job Title: Water/Wastewater Operator

Truman Public Utilities is looking for a licensed operator for the position of water/wastewater operator for the operation of a class B activated sludge wastewater treatment facility and a class C drinking water treatment plant. Duties for the job include water pumping and distribution maintenance, waste water collection and disposal plant maintenance plus cross training in the electrical line building and maintenance, diesel generator operation and maintenance. Possession of or the ability to obtain a CDL (commercial drivers license) is also a requirement.

The wage will range from \$20.34 to \$31.29 depending on experience and current licensing. The position is full time with a full benefits package. Please email or call Taylor Varpness at (507)-776-6501 - varpness1@gmail.com or for an application visit our website at <http://trumanmn.us> or stop by the office at 202 W. Ciro, Truman, MN 56088. Job will be posted until May 15, 2019.
